The European Mail says:—
The new tax on all foreign insurance companies in the Argentine Government is still the theme of discussion among the directors and managers of the companies. The directors of the Buenos Ayres, in our last we stated that out half the offices intended to withdraw from the country, and the other half to remain. So far as can be ascertained, the offices who wish their hands off the country are the Buenos Ayres, London, Imperial, Scottish Union, All-Union and Phoenix, with the following companies, who have decided to remain:—the Hamburg-Magdeburg, the Netherlands, and the Transatlantic. The Sun is unimpressed by the decision, and holds a very proportional view, while in those of the Phoenix and the Buenos Ayres, who are going out, is very strong. Notionally it is going out, but it has an agency at Montevideo, no doubt to keep it in touch with the market.

The following are estimates to remain despite the losses, having a considerable market value in the London, New York and San Francisco markets.

London, New York and Queen, and Guarantors, for example, are "the guarantee," applying virtually to each department of business as it were through the first firm in each country, restoring the right to withdraw at the end of six months, when full particulars come.

Messrs, Agar Cross & Co.

Dear Sirs,

I have great pleasure in reporting favourably of your "Walsley Sheep Shearing Machine." Up to date we have shorn upwards of 30) Lincoln Rams and Dorsettes, and it quite up to our expectations. It is simple and easily handled, and in no way complicated or difficult to understand or work, and so far it has never been out of order, the sheep beautifully it does them quicker and considerably better than it is possible to get them done by hand, and saves the poor animal a great amount of abuse.

I have timed our Amoson Shearer here, and find he can shear upwards of 1 1/2 in the hour. Consequently, I consider the "Walsley Machine one of the best on the market. I have yet seen, in proof of which I intend having some more put up at an early date.

Yours very truly,
WILLIAM RIDDICK.
